Tumut High School Participates in “Worlds Greatest Shave”

Worlds Greatest Shave 2019 aims to raise more than \$16million to provide emotional and practical support for people living with blood cancer and drive rapid advancements in blood cancer research. On Thursday, 14th March our students and staff actively participated in this fundraiser. Funds are still being counted with our “Tumut High Braves the Shave” team already exceeding \$10,000. A truly fantastic effort from everyone involved. The initiative to participate in this fundraiser came from Year 11 students Lori Webb, Daniel Hibbens and Lily Carroll. They were joined by fellow Year 11 students Jack Belt, Ben Jeffery and Damon O’Brien. Teachers Mrs Stroud, Mr Wray and Mr Watts supported the students by also getting their head shaved. Mr Brown and Mr O’Brien joined in with having their beards shaved off for the cause. Special thanks to the Tumut community for donations and promotion of this event as well as to the team of Lucy, Josie and Kyana from “The Collective. Hair Face Body” Tumut for kindly donating their hairdressing services. Well done everyone.

What an amazing 5 days! Very early morning starts are part of the Show when you have washing, drying, cleaning out stalls & feeding to be done before you're in the show ring by 8am. This was achieved every day on time by the dedicated THS students. A very honourable mention to Mr Tony Butler, for his time, knowledge & passion for the THS Cattle Parading Program. Thank you to Greg Quinn for transporting the cattle. A shout out to ex-students Mackenzie Day & Monique Toppin for helping prep all the cattle. Thanks to all the parents who came over & supported the students - from the amazing BBQ cooking skills, tasty home baking & washing our filthy clothes. Thank you!

Year 11 Agriculture Farm Study

As part of their unit 'Farm Case Study', Year 11 Agriculture recently spent an informative day at a local Adelong property. During the day, the students were given an overview of the history of the Adelong farm and how the topography, soil and climate are managed to produce beef cattle and sheep in the extremes of the Australian climate and rising costs. The students were shown many methods of the sustainable usage of water and the importance of trees on farms to promote biodiversity. They were involved in water quality and soil sampling for pH and soil texture and took part in an energetic walk around the farm. The students enjoyed scones, cream and jam for morning tea come lunch and conversations under a shady verandah. Thanks to James Hayes for giving up his day to talk to the students.

Clontarf Foundation

On Sunday, 3rd March Tumut Clontarf Academy volunteered to be involved in "Clean-Up Australia Day". The boys did a large section of Bila Park and the surrounds of the Tumut Racecourse. A great day was had with plenty of laughs.

In Week 6, Clontarf members Tana Scott, Mitchell French and Aidan Breed headed to Wagga to participate in the Annual Clontarf Basketball Challenge. The boys combined with Narrandera and were undefeated.

STEM at Tumut High School

All Support Faculty classes have been working in collaboration on STEM (Science, Technology, Engineering, Maths) projects this year. The classes meet every fortnight in the Resource Centre.

The students have been designing, assembling and testing parachutes, rain and weather shelters and catapults. Through these STEM projects students have been developing key skills which include problem solving, creativity, critical thinking and collaboration.

Show report

Tumut High School was represented at the Tumut and Adelong shows recently by:

- Students showing the school's wyandottes and frizzles in poultry pavilion
- A photographic display of the highlights of 2018 for a wide range of student groups in the main pavilion and student artworks
- Eggs and cakes
- Cattle section (RYCE)

It is fantastic to see students entering events with their families. Chloe Manning, Vince Wood and Kashmir Hazell-Jarrett all entered their own birds to Tumut and/or Adelong show and took away various prizes. Well done everyone and especially to the parents and grandparents who were able to attend the shows.
